

Embroidered square:
Cut 4 1/2"
to finish at 4"

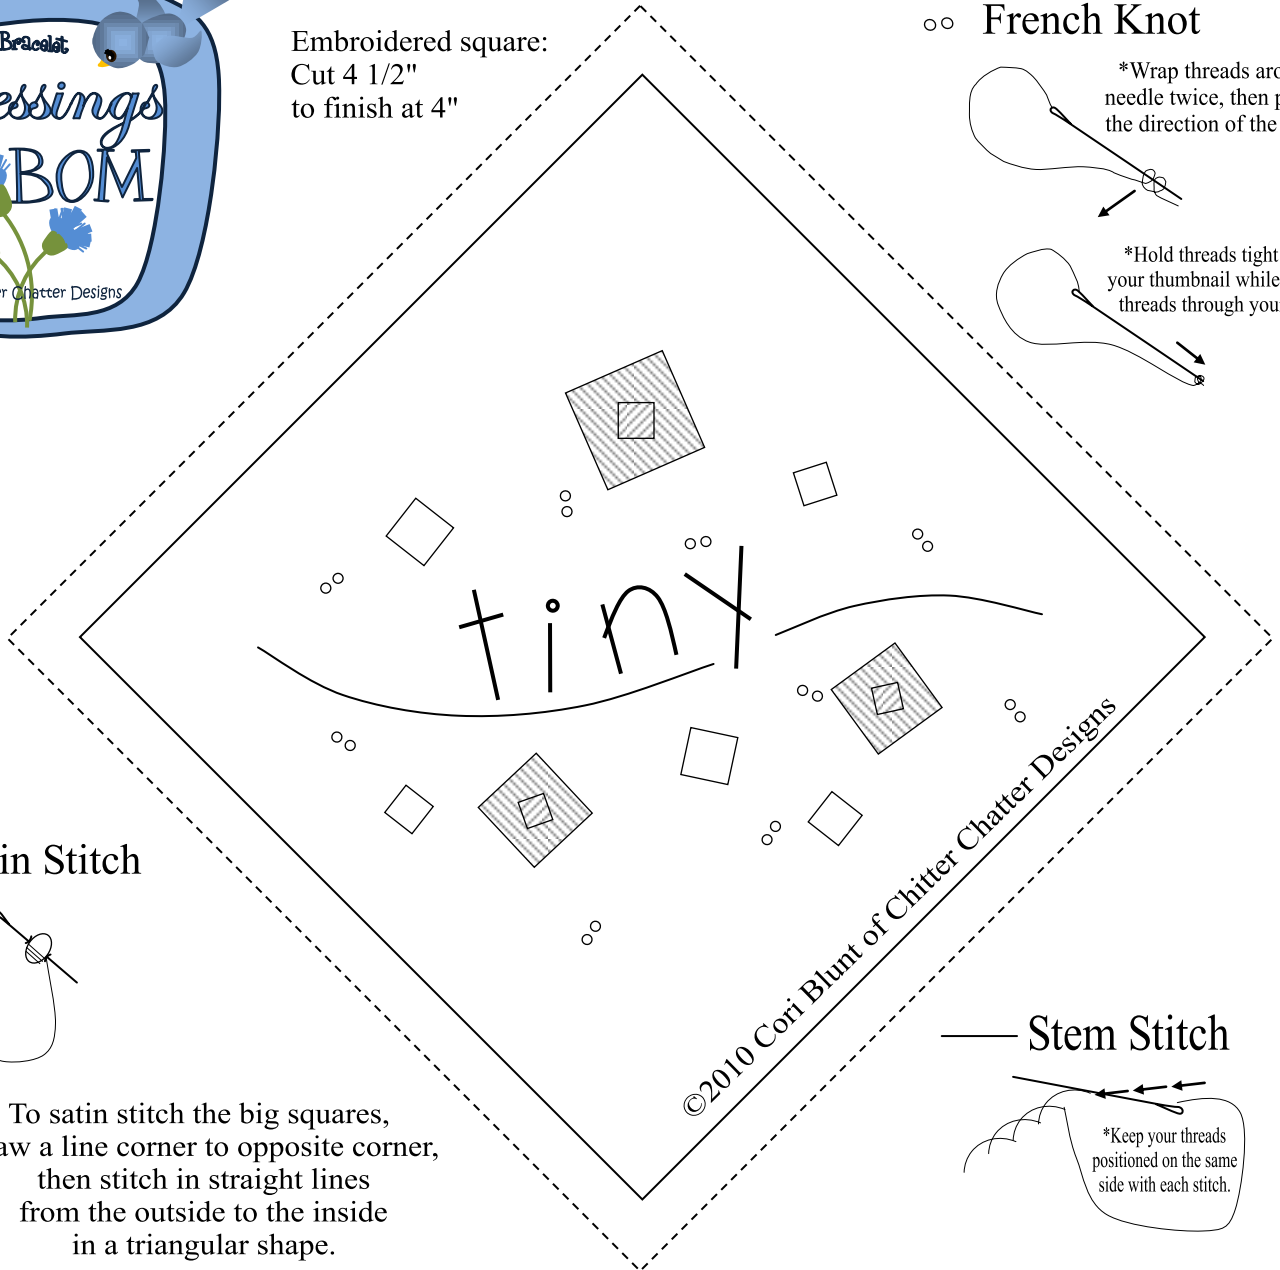

French Knot

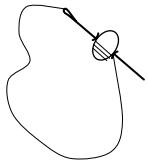

*Wrap threads around needle twice, then pull in the direction of the arrow.

*Hold threads tight with your thumbnail while pulling threads through your knot.

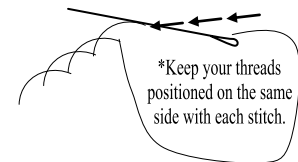

Satin Stitch

To satin stitch the big squares, draw a line corner to opposite corner, then stitch in straight lines from the outside to the inside in a triangular shape.

Stem Stitch

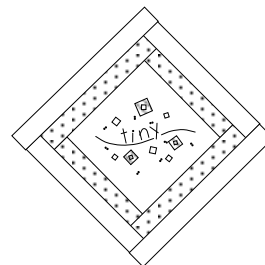

*Keep your threads positioned on the same side with each stitch.

All embroidery uses two strands.

Cut additional fabric as follows:

Print: 2 – 1 1/2" x 4 1/2" strips and 2 – 1 1/2" x 6 1/2" strips,
White: 2 – 1 1/2" x 6 1/2" strips, and 2 – 1 1/2" x 8 1/2" strips.

*Remember to press seams. Seam allowance is 1/4"

Block Assembly: Sew the **print** 4 1/2" strips to each side of the embroidered square, followed by the **print** 6 1/2" strips to the top and bottom. Sew the 6 1/2" strips of **white** to the sides of the square followed by the 8 1/2" strips of **white** to the top and bottom of the square. With seams completed block should measure 8 1/2" square. Finished block size will be 8" square.
